Concept: The objective of the U4 coed soccer program is to introduce participants to the game of soccer using a simple formula of instruction and play activities that encourage fun and ultimately kicking the ball into the net.

Coaches: The focus is on fun and learning through simple drills and activities. Scrimmaging with the objective of kicking the ball into the net is to be encouraged; however, keeping "score" is discouraged.

Coaches are to bring their team bags with balls and cones for use each Saturday.

Coaches for the first game of the day should pick-up one set of portable goals from the equipment room at the concession stand adjacent to the fields and set them up for play. Coaches for the last game of the day should collapse and bag goals and return them to the equipment room.

Problems: Contact Avery concession stand or call the office.
