Important check-in info

The 2019 Dublin Charity Cup is just a short time away. The Tournament Committee and the City of Dublin are looking forward to hosting players, coaches, and parents of the nearly 100 teams from Ohio. We are looking forward to a weekend of fun and excitement, which will result in a substantial donation to **Big Brothers Big Sisters Association of Central Ohio**.

Team registration will be held **August 30th, from 5:00pm to 8:00pm** at the **Soccer Concession Stand/HQ (Building #3 at Darree Fields), 6259 Cosgray Road, Dublin, Ohio 43016**. Only one team representative is required. *Your game is subject to forfeiture if you miss Friday registration and can not comply with requirements Saturday morning. Please be prepared to present at registration (you may also pre-register by mail at least 7-days ahead of time for our review):*

1. A copy (not the original) of your **team's certified roster** for us to keep throughout the tournament.
2. A **Combined Liability/Medical Release** form (white) signed by an adult for each participant.
3. If using guest players, a **guest player roster**, properly authorized, along with their photo player pass. Signature authorizations should also appear on the Combined Release referenced above.
4. **Player passes with photo** required for all participants (including guest players). Player passes will be cross-checked against the certified roster and Liability/Release form (or USYSA Membership Form). Player passes will be returned to the team representative. They must be presented to the referee at each game.
5. A **travel permit**, for teams outside of Ohio South (including Ohio North). Does not apply to US Club.
6. Adult Coaches are expected to have completed all requirements outlined by Ohio South Youth Soccer Association and the State of Ohio regarding background checks, concussion training and US SafeSport.
7. Everyone participating in the tournament is required to comply with **Lindsay's Law** regarding Sudden Cardiac Arrest.

We look forward to seeing you this Labor Day Weekend.
