

Spring 2024 Tournament Rules

A Round Robin tournament will be played. The First Preliminary Round Games will be scheduled for play on May 11th as either a Home or Away game. The Second and Third Preliminary Round Games will be scheduled for play on Saturday, May 18th at a common site yet to be determined. The Championship games will be scheduled for play on Sunday, May 19th at the same common site.

Once schedules are published, the Preliminary Round Games on Saturday May 11th and the Championship games on Sunday, May 19th, WILL NOT be re-scheduled.

PLEASE NOTE: If a team cannot play in the tournament but DOES NOT notify MSSA PRIOR TO MSSA STARTING THE COMPILATION of the Tournament Schedules; that Team, or the League through which that team is registered, will be fined \$500. If that team, or the League through which they are registered, does not pay the fine, they will NOT BE ALLOWED to play in MSSA in subsequent seasons until the fine is paid. If a team cannot play in the tournament, they will still get their Tournament T-Shirts.

Division Placement will be based on the results of the regular season games for which scores have been reported. Divisions will consist of 8 teams divided into 2 "Groups" of 4 teams. Depending on the number of teams participating, Divisions may be formed with a total of other than eight teams. Teams within each Division will be randomly assigned to a "Group" within the Division. A round robin will be played among the teams within each Group to determine which team in each Group advances to the finals.

1. All games will begin at the scheduled time unless it is delayed because of an overrun of the previous game. Added time is permissible in cases of serious injuries, excessive delays by one of the teams, or outside interruptions to the normal run of play. If a team is not prepared to start the game at the scheduled time, the game will be declared a forfeit.
2. If one team does not appear for their game, the game will be declared a forfeit.
3. **If a team forfeits one game, they forfeit all games.**

However, once a team forfeits a game, that team may play the remaining scheduled games provided that playing a game does not result in their opponent having to play two games on a given day when other teams in their "Group" play only one game that day, unless the coach of that team agrees to play the game. If a team forfeits a game, they may not advance to either a Semi-Final Game or Championship Game.

4. The score of all forfeited games will be recorded as 3-0.
5. The Mercy Rule, as defined for regular season play, WILL NOT BE APPLICABLE to tournament games.
6. Players may NOT play on more than one team. If a violation of this rule can be documented, the result will be a forfeiture of all games.
7. Players must be on the team's regular season roster to qualify for play in the tournament. If a violation of this rule can be documented, the result will be a forfeiture of all Tournament Games.
8. A maximum of three (3) coaches are allowed on the bench.

9. A player, coach, bench personnel, or spectator that has been disqualified from a contest shall be barred from participating in the next contest.

Both a three-person and two-person officiating system is acceptable. In a three-person system, the most experienced (or adult) referee should be the center.
 - a. **If no certified referees are available, the game will not be played. If no certified referees are available for the First Preliminary Round Game on May 11th, it must be re-scheduled for play PRIOR TO the second-round game.**

However, these games may be played any time prior to the Second and Third Preliminary Round Games on Saturday, May 18th, **provided both coaches agree**. If both coaches cannot agree on a date other than the scheduled date for these games, they will be played as scheduled.
 - a. If one of the teams cannot play the game on the re-scheduled date, for whatever reason, they will forfeit the game.
 - b. If both coaches do agree on a date other than the initially scheduled date, but the game cannot be played prior to Saturday, May 18th - **due to inclement weather** - the team that could not play the game on the originally scheduled date, for whatever reason, will forfeit the game.

15. All Championship Games will be played in two (2) thirty (30) minute halves. In cases of a tie at the end of regulation time; a ten-minute, GOLDEN GOAL, over-time period will be played. A coin toss will be conducted prior to the start of the over-time period. The visiting team will call the toss. The winner of the coin toss will choose which goal to defend. The first team to

There will be no break between the over-time periods. Teams will switch goals for the second over-time period and the team that did not kick off for the first over-time period will kick off for the second over-time period. The first team to score wins the match. If there remains a tie at the end of the second over-time period, the winner will be determined by a shootout.

16. In the event of thunder or lightning, the game will be suspended for 30-minutes. Each occurrence will serve as the new baseline for the 30-minute suspension.
17. If a FIRST PRELIMINARY ROUND GAME must be suspended because of thunder and lightning delays, it will be declared an official game if the first half has been completed. If the first half has not been completed, the game will be resumed as soon as practically possible and will be restarted from the time the game was suspended. THE GAME MUST BE RE-SCHEDULED FOR COMPLETION PRIOR TO SATURDAY, May 18th.
18. If a 2nd or 3rd Preliminary Round Game must be suspended because of thunder or lightning delays, the Field Commissioner may declare it an official game if the first half has been completed. If the first half has not been completed, the game will be resumed as soon as practically possible following the thunder and lightning delay and will be restarted from the time the game was suspended. Upon conclusion of the first half, the Field Commissioner may declare it an official game to resume the playing of the remaining scheduled games.
 - a. The Field Commissioner may shorten the length of the remaining games to get all of the 2nd or 3rd Preliminary Round Games played.
 - b. If all of the scheduled 2nd or 3rd Preliminary Round Games cannot be played, they will not be re-scheduled for a later date and the tournament will be terminated.
